Software Developer

New Castle, DE • (302) 256-3423 • BrentCubbage1@gmail.com
LinkedIn: /BrentCubbage1 • GitHub: /BrentCubbage1

Reliable and determined full-stack Software Developer, with 10 years prior experience in fast-paced billing and retail management environments, eager to combine results-oriented, customer-centric approach, and technical skills in Java, SQL, and Spring Boot to build comprehensive software solutions. Inquisitive, coachable, and collaborative; learns quickly and able to deftly apply knowledge and skills to resolve problems.

TECHNICAL SKILLS

- Java
- JavaScript
- Spring Boot
- Test Driven Development
- Git / Github
- Agile Methodologies

PROFESSIONAL EXPERIENCE

Zip Code Wilmington | Wilmington, DE   Jun 2023 – Sep 2023
Software Developer in Training

Admitted into Zip Code Wilmington's highly competitive software development program accepting less than 9.5% of applicants; completed over 1100 hours of software development projects in an immersive, full-stack training program using Agile and Scrum methodologies and test-driven development; gained experience with multiple object-oriented programming languages and frameworks.

Technical Projects:

- **Document Editor:** *PaperPlane* – Collaborated on a team of 4 to develop a document editor application utilizing Java, React, Spring Boot, and JavaScript; personally responsible for handling searching/filtering all documents on the platform and implementing the user UI via React components [PaperPlane]
- **CRUD Demo:** Developed with Java, Spring Boot and H2. Designed with the MVC pattern. Allows users to manage entries into a H2 database using standard CRUD (Create, Read, Update, Delete) functions. [CRUD demo link]

Comcast | New Castle, DE   May 2015 – Jun 2022
CE2 Customer Accounts Executive (Account Management)

- While working in a fast-paced, high-volume call center, assisted over 250 customers/week with billing, account management, technical service, and troubleshooting errors; accurately calculated taxes, fees, one-time charges and recurring monthly fees for clients and corrected discrepancies with billing statements and customer inquiries
- Recognized as a subject matter expert, assisted peers with customer, billing, and system issues; entrusted to onboard team employees

McDonald's – Ehlers Organization | Wilmington, DE   May 2009 – May 2015
Shift Certified Manager

- Worked daily as a manager at a busy fast food franchise on Kirkwood Highway which generated an estimated $4M sales revenue/year; led high-traffic opening and closing shifts and teams of 20-25 employees (avg.)

EDUCATION

Howard High School of Technology | Wilmington, DE   May 2010
- Concentration: Computer Network Administration
